DIRECTOR OF CENTRAL INTELLIGENCE
Intelligence Producers Council
Washington, D.C. 20505

ICS 6852-88

MEMORANDUM FOR:

[redacted]
OSWR Executive Staff

FROM:

[redacted]
Chief, Intelligence Producers Council Staff

SUBJECT:

FY 1988 Production Enhancement Initiative Review [redacted]

1. The IPC Staff recently conducted a review of 32 Production Enhancement Initiatives (PEIs) submitted by your organization as well as State, CIA, NSA, Navy, Army, and the National Intelligence Council. The Staff requested various organizations in the Intelligence Community to evaluate the originality of the proposals, their usefulness to the Community, and the likelihood that the projects could be successfully completed. [redacted]

2. Upon receiving the responses, the IPC Staff reviewed them and selected several PEIs to recommend to the Intelligence Producers Council for FY 1988 funding. The criteria for selection are based on guidance from the DCI, which states, in part, that PEIs should "offer new innovative and speculative ways to improve the quality of intelligence production by improving the analytic process." [redacted]

3. Three OSWR PEIs were reviewed but none of them was recommended for funding by the IPC staff. If you wish to recast and resubmit, the IPC Staff will reevaluate your PEIs for the 20 April IPC meeting. However, any PEI must be returned to this office by close of business 4 April 1988. We recommend you consider the reviewers' comments prior to resubmission. [redacted]

4. Comments or queries may be directed to [redacted]
